SUMMARY

Integrated [M.Tech](#) Artificial Intelligence student at VIT Bhopal University with expertise in Machine Learning, Reinforcement Learning, and Java-based DSA. Experienced in developing AI-powered applications using Python, PyTorch, and Flask, with 500+ DSA problems solved across LeetCode and Codeforces.

SKILLS

Programming Languages

Java, Python, SQL, JavaScript, C++

Development:

Flask, React Native, HTML, CSS, MongoDB, REST APIs

AI & Machine Learning:

Machine Learning, Reinforcement Learning, PyTorch, Scikit-learn, NumPy, Pandas

Tools & Platforms:

Git, GitHub, Docker, Render, VS Code

PROJECTS

[CineMatch AI](#)

06/2026 – 07/2026

Python • Flask • Google Gemini API • TMDb API • HTML • CSS • JavaScript

- Built an AI-powered movie recommendation web application using Google Gemini API and TMDb API.
- Integrated real-time movie information through REST APIs for a personalized user experience.
- Deployed the application on Render using Flask with Git-based version control.

[CartPole Deep Q-Network \(DQN\)](#)

05/2026 – 06/2026

Python • PyTorch • Gymnasium • NumPy • Matplotlib

- Built a Deep Q-Network (DQN) agent using PyTorch for the CartPole-v1 environment.
- Applied experience replay, target network synchronization, and epsilon-greedy exploration.
- Assessed training performance using reward analysis and model evaluation.

EDUCATION

Integrated M.Tech in Artificial Intelligence

VIT Bhopal University

CGPA: 9.20/10

10/2023 – 2028

Bhopal, M.P

Senior Secondary (Class XII)

Army Public School

Percentage: 90.0%

06/2021 – 06/2022

Yol, Himachal Pradesh

Secondary (Class X)

Army Public School,

Percentage: 93.1%

03/2019 – 05/2020

Yol, Himachal Pradesh

ACHIEVEMENTS

- Solved 500+ Data Structures and Algorithms problems across **LeetCode** and **Codeforces**.
- Maintained a 9.0+ **CGPA** in the Integrated [M.Tech](#) Artificial Intelligence program at VIT Bhopal University.
- Built and deployed AI-powered applications using Python, Flask, and Render.

CERTIFICATES

AWS Cloud Fundamentals – Intellipaat Academy

(Certificate of Completion, Sep 2025)
